Jackie,

No problem, please feel free to set up outside of the meeting room. See ya'll tomorrow.

**Subject:** Tomorrow's meeting

Hi Gary,

I was wondering if the river coalition could set up a canvas table tomorrow outside of the community center. We would like to hand out FAQ sheets about the site, flyers for our next meeting, sign up people interested in joining our efforts and hand out shirts to our members. I am asking to set up outside that way once folks get inside they can focus on the agencies present.

Thank you,

9494308
